2. Rental texts which may be changed in the next three years are marked (*). School boards with rental schemes will not be expected to replace these immediately a new authorization is made, but will be expected to replace the texts over a period of not more than three years.
3. School boards wishing to join the Textbook Rental Plan should write to the School Book Branch for application forms. Extended credit terms are available to school boards entering the Rental Plan for the first time. Write to the School Book Branch for details.
4. A school board, in order to avail itself of the rental discount of 40%, must rent approved books to students at a rate not to exceed 1/3 of the net cost of books to the board. It does not apply to books purchased for resale.
5. A school board which loans free texts to individual students for their personal use will be deemed to be operating a Rental Plan.

SPECIAL ORDER SERVICE

The School Book Branch is prepared to special order all recommended titles listed in the Curriculum Guides which are not regularly stocked by the Branch. Delivery of special-order items normally takes from 3 to 6 weeks. However, during the peak season in July, August and September preference will be given to regular stock orders. Special orders received during these months may be temporarily delayed. So that we may process your special order requirements with a minimum of delay, please ensure that all available information is given. This should include title, series, authors, edition, publisher, etc. **Books purchased on special-order basis are not returnable.**

PRICES

Due to escalating inflationary costs, prices are subject to change without notice. However, where possible, prices will be maintained until March 25, 1977.

SHIPPING

The School Book Branch prepays all shipping charges in Alberta.

RETURNS

It is expected that school boards and teachers are in a position to determine their needs very accurately. Therefore, the School Book Branch has no provision for a “returns” policy. However, should any customer encounter a problem with surplus books, it is suggested that a request be submitted to the Manager of the School Book Branch regarding the possibility of returning the books for credit. No returns will be accepted without prior authorization. Please note that a handling charge of 10%, based on the retail value, will be charged against all returns.

SHIPPING ERRORS

We take extreme precautions to make certain that books are shipped as ordered. Nevertheless, in spite of our efforts to be accurate, errors may occur. Please check all shipments carefully and report any discrepancies immediately. Do not stamp or mark any books until you are satisfied that the correct title, edition, etc. has been received. **No books will be accepted for adjustment or credit if they have been stamped or otherwise made unsaleable; therefore, carefully check each item before stamping, pricing, etc.**

FRENCH

Teachers who offer instruction in French according to Section 150 (1) (a) of the School Act (1971) should write to the School Book Branch for a special catalogue listing available instructional materials.

P.A.B. CODE

To assist school jurisdictions in identifying and coding book orders for P.A.B. classification, the column entitled “P.A.B. Code” has been provided. The classification coding detail to be utilized in this column is totally at the discretion of the individual school district. A school **should not** use the column until specific instructions have been given by the central office of your school jurisdiction.

If requested, the School Book Branch will transpose the code number onto the invoice.
